Agenda:

1. 3:00-3:15 Overview—**Leon Cammen**
    a. Progress Report
    b. How the Focus Team can be most effective

2. 3:15-3:20 Update and passing of the torch—**Jim Murray**

3. 3:20-3:25 Announcements and Review Agenda—**Gene Kim**
    a. Membership changes (if any)

4. 3:25-3:45 Energy Use in Fisheries Symposium—**Jim Murray**
    a. Review of outcomes
    b. Decide on follow up/next steps

5. 3:45-4:15 Amy's Plan of Work—**Amy Scaroni**
    a. Topics/projects to focus on for the fellowship
    b. <u>Please come with suggestions or topics</u>

6. 4:15-4:25 Fisheries Extension Group**—Jim/Gene**
    a. We need to involve them under the focus team umbrella
        i. Create a "subcommittee" to do an AFS/Extension event to get together during AFS or other meeting to nurture the network (e.g., enforcement, catch shares)
    b. Sustainable Marine Fisheries Community of Practice (see below)
        i. Opportunities for collaboration?
    c. Other opportunities for partnerships/collaborations
        i. Connect to area councils and commissions?

7. 4:25-4:30 Annual meetings**—Gene/Amy**
    a. Typically held around Oct/Nov
        i. Is there a venue many of the members will already be attending during this time frame and we can piggy-back a meeting?
        ii. Bring your calendars so we can decide on a tentative date

Sustainable Marine Fisheries

eXtension Community of Practice (CoP)
