Background: During its February 2007 meeting, for extended planning purposes, the Panel supported for a two-year meeting calendar. The Panel approved September 29-30 for its 2007 fall semiannual meeting in San Diego, and its two semiannual meeting in 2008 as follows:

2008 (approved)

March 6-7 (Thursday-Friday) and **November 12-14, 2008** (Wednesday-Friday), were approved.

If we are to stick with the two-year concept, the Panel needs to approve a 2009 meeting schedule. The following is proposed:

2009 (proposed)

March 5-6 (Thursday-Friday) and **November 11-13, 2009** (Wednesday-Friday), **proposed**.
