

Report: Reauthorization Committee

The committee will report on the joint committee/SGA dialogue session scheduled on Friday September 28. Issues for discussion at that meeting include:

- A) The desired level for the administrative CAP in the reauthorization bill.
- B) The reauthorization bill language concerning the National Sea Grant Review Panel.
- C) Approaches to the issues of competition and certification.
- D) Role of the Panel members in the legislative process for the reauthorization bill.
- E) Panel participation in stakeholder engagement with the legislative process.

Points of consensus growing out of the meeting will be brought to the Panel for review and full Panel action. In addition, a time table for Panel action based on the latest available information concerning legislative schedules will be presented. Lastly, a report on the committee deliberations addressing a Panel Chair assignment to follow-up on Panel actions concerning out of Washington D.C. meeting locations will be presented.
